

## Setting up your SIPP with Options

Set up your account on the IG Portal to get started

Click on 'Add SIPP to your portfolio"

You will receive a welcome email from Options UK asking for some further information on your pensions and contributions

Options UK will send you an illustration showing what your pension might be worth at retirement

You review those documents and if you are happy to proceed, just accept the terms & conditions and submit

Options UK will request any pension transfers and let you know how to send in any contributions. Once your money is received it is sent to your IG account.

That's it! Your account is all set up and you can start trading
